## Item 1: Introduction

WHITAKER-MYERS WEALTH MANAGERS, LTD. is an investment adviser registered with the Securities and Exchange Commission offering advisory accounts and services. This document gives you a summary of the types of services and fees we offer. Please visit [www.investor.gov/CRS](http://www.investor.gov/CRS) for free, simple tools to research firms and for educational materials about broker-dealers, investment advisers, and investing.

## Item 2: Relationships and Services

*Questions to ask us: Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

What investment services and advice can you provide me? Our firm primarily offers the following investment advisory services to retail clients: portfolio management (we review your portfolio, investment strategy, and investments); and financial planning (we assess your financial situation and provide advice to meet your goals). As part of our standard services, we typically monitor client accounts on an annual basis. Our firm offers both discretionary advisory services (where our firm makes the decision regarding the purchase or sale of investments) as well as non-discretionary services (where the retail investor makes the ultimate decision). We limit the types of investments that are recommended since not every type of investment vehicle is needed to create an appropriate portfolio. Our firm does *not* have a minimum account size. Please also see our Form ADV Part 2A (“[Brochure](#)”), specifically Items 4 & 7.

## Item 3: Fees, Costs, Conflicts, and Standard of Conduct

*Questions to ask us: Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me? How might your conflicts of interest affect me, and how will you address them?*

What fees will I pay? Our fees vary depending on the services you receive. Additionally, the amount of assets in your account affects our advisory fee; the more assets you have in your advisory account, the more you will pay us and thus we have an incentive to increase those assets in order to increase our fee. Advisory fees are paid quarterly in advance and are calculated using the value of the assets on the last business day of the prior billing period. For new client accounts opened during the quarter, fees for the remainder of the initial quarter will be calculated and withdrawn when the account is funded. Pension Consulting fees are paid monthly or quarterly in arrears. The fees are calculated based on the asset value of the account at the end of the period. For hourly fee arrangements, each additional hour (or portion therefore) we spend working for you would increase the advisory fee. You pay our fees even if you do not have any transactions and the advisory fee paid to us generally does not vary based on the type of investments selected. Please also see Items 4, 5, 6, 7 & 8 of our [Brochure](#).

Third Party Costs: Some investments (e.g., mutual funds, variable annuities, etc.) impose additional fees (e.g., transactional fees, product-level fees and 12b-1 fees) that reduce the value of your investment over time. Additionally, you will pay applicable transaction fees when we buy or sell an investment for your account. **You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.** Please also see our [Brochure](#) for additional details.

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have? *When we act as your investment adviser, we have to act in*

your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means (see heading immediately below).

- For AUM fees, the more assets you have in your advisory account, the more you will pay us and thus we have an incentive to increase those assets in order to increase our fee
- For hourly fees, each additional hour we spend working for you would increase the advisory fee and thus we have an incentive for you to agree to have us complete more work for you

How do your financial professionals make money? Primarily, we and our financial professionals benefit from the advisory services we provide to you because of the advisory fees we receive from you. This compensation may vary based on different factors, such as those listed above in this Item. Please also see Item 10 of our [Brochure](#) for additional details.

## Item 4: Disciplinary History

Questions to ask us: *As a financial professional, do you have any disciplinary history? For what type of conduct?*

Do you or your financial professionals have legal or disciplinary history? We do not have legal and disciplinary events. Visit <https://www.investor.gov/> for a free, simple search tool to research us and our financial professionals.

## Item 5: Additional Information

Questions to ask us: *Who is my primary contact person? Is he or she a representative of an investment adviser or a broker-dealer? Who can I talk to if I have concerns about how this person is treating me?*

For additional information on our advisory services, see our [Brochure](#) available at <https://adviserinfo.sec.gov/firm/summary/286093> and any individual brochure supplement your representative provides.
